STUDIO

hello@recapstudio.com.au | [@recapstudio_](https://www.instagram.com/recapstudio_) | [recapmedia.com.au/studio](https://www.recapmedia.com.au/studio)

Recap Studio is a modern industrial content studio just 5mins off the Gateway Bridge, a 10min drive from Brisbane Airport and easily accessible from the North and South side of Brisbane.

Our raw concrete walls and reflective concrete floors are the perfect foundation to build a strong and impactful image for your project.

The front of the studio benefits from indirect natural light all day, courtesy of the huge west-facing roller door. Direct sunlight begins to creep in to the studio in the afternoon, perfect for dreamy, contrasty silhouettes and long golden shadows.

The studio has vehicle access all the way to the roller door for unloading, dedicated studio parking on site and ample free street parking.
